

O Magnify The Lord

Oh magnify the Lord with me
Let us exalt His name together
And as we enter into the house of the Lord
We sing can praises, praises to our God
Oh magnify the Lord with me
Let us exalt His name together
As we enter into the house of the Lord
We sing praises to our God, praises to our God
For the Lord, He is great!
And He's worthy to be praised!
Magnify Him and lift Him up!
